**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I demand competition in broadband. I've tried a variety of ISPs and I find that the big companies don't provide the level of customer support that my local carrier does. In fact, I have fiber at home where I used to have DSL - a big improvement! However, the proposed deregulation will kill off my consumer choices by giving big companies unfair advantages.
